

INTRODUCTION

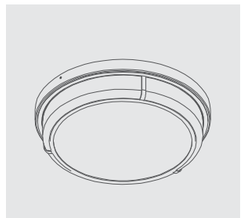

Imperial Lighting was established in 2013 and is a professional manufacturer for various lighting. Our products cover indoor and outdoor lights, such as wall lights, vanity / bath lights, pendant lights, ceiling mount, aluminum die-casting and LED outdoor lamps. Our main market is Europe and the United States.

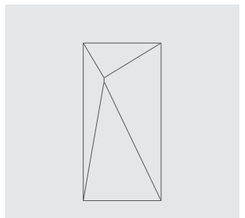

Along with quick grow up of the technology in the field of lighting, more light fixtures change to use LED light source. To catch the trend of the business, we start to develop LED products. Now we not only provide our customers the quality control, best service, fast shipment, but also more competitive price. And we also welcome OEM and ODM cooperation.

To supply more innovated design is our goal, we have person with much experience to search source and create new models everything to satisfy market demands. Also with our excellent experience in this filed have new models to meet to electric requirements. This effort is to have our customers to have more new items to present to market.

Hope to light up your life with Imperial Lighting.
